SGU Rep Report to A+B Golf Union AGM

To date I have attended 2 meetings of the SGU Council. I have to admit that I am struggling to put together a report. Amalgamation continues its slow progress consultation with clubs and areas has been completed. A+B did not meet with Tom Craig. A final proposal is due to be put forward to clubs and Areas by late November. Under the proposal at present each Area would have 10 votes and each club 1 vote. There would be no requirement for Areas and Counties to change their boundaries. The SGU web site contains all the latest minutes and proposals on this subject.

Membership continues to fall and to date adult male is down app 2.84% on last year on a 96% return.

Per Capita is £11.00/Adult male.

The Annual Conference and AGM will take place on the 24/25th January 2015 at the Stirling Management Centre.

Apologies for the briefness of this report. I will try and answer any questions as best I can. The web site contains information on all aspects of the SGU operations. I have indicated to the President and the Secretary that I am standing down from this post.

Yours J. Weir
